Healing Winds Conference – Canton, NC “Peace Like A River”

5 CD Set \$30.00/set + \$7.95 shipping

Individual CDs are \$7.00 + \$5.95 shipping

In this CD set, Rev. Josh, as the keynote speaker at the Healing Winds Conference in Canton, NC, covers the topic of finding and living a peaceful existence in God.

Session 1 Not of This World 55 min.

One of our primary obstacles to growing into our God given calling and gifts is our own doubts about what God can do through us. This teaching helps you see life from a Christ-centered worldview and gives a vision of life where all things are possible to him who believes!

Session 2 A Daring Dominion 58 min.

One of the most life changing realizations a person can have is that the clear dominion Jesus exercises over illness, nature, demons, sin and death - is a dominion imparted to all who believe in him. This CD offers a window into the possibilities of exercising Jesus' own dominion in our lives.

Session 3 Persevering Peace 66 min.

Peace, shalom, in the Bible, implies a kind of flourishing in every area of life. It is not just a static lack of conflict, but a robust and active wholeness. It's not passively found by waiting for it. One must truly "go after it" with their whole being. In Jesus we find a rest and a peace that is powerful, dynamic and active. This CD shares foundational Bible truths on finding and persevering in peace.

Session 4 The Offense Wins the Game 64 min.

The phases in our spiritual life are in constant motion and creation with God.

Rev. Josh speaks on issues of spiritual warfare and victory that the Lord gives us and how God works with us to mold us into the person he wants us to be.

Session 5 Like a River 54 min.

Who is steering your ship? There are Christians looking to earn affirmation and access to the Kingdom when it's already paid for. Are you on a treadmill to be better and better? God isn't looking for us to become performance oriented. We only need receive what He has to offer us.

“I thought I heard all of this before and didn't need to hear it again. But believe me - you'll learn something new and powerful in these Holy Spirit-filled teachings! The more you put into it, the more you get out of it!” Carol

“I enjoy listening to the CD's over and over again. I glean something new every time I hear them.” CK
