Desert Call Prayer and Pastoral Counseling Center to be Established in South Bay, San Diego

In just a few short weeks, Desert Call Ministries will have established its first prayer and pastoral counseling center, which is intended to serve low income individuals and families in the South Bay area of San Diego. These services are offered in Spanish, and there is no fee required, though donations to the ministry will be accepted.

This is a much needed service in our community" said Pastor Dallas Bullock, Director of Hispanic Ministries for DCM, and resident of South Bay, "We combine the counseling interview and prayer ministry model to bring people to real wholeness."

Desert Call Prayer Counselors are trained in counseling on a graduate level, as well as being highly anointed prayer ministers. Rev. Josh Acton, Desert Call's Executive Director said, " our prayer counselors will be supervised regularly by a Clinical Psychologist, Dr. Carol Sheffield-Green, who serves as co-director of the Center for Christian Healing in the Episcopal Diocese of Dallas."

If you are interested in serving as a prayer counselor for Desert Call Ministries, and would like to know more about the training and commitment required, please call the Rev. Josh Acton at 928-257-0905, or Dr. Carol Sheffield-Green at 972-934-2925
